

Julekræmmerhuse **CHRISTMAS CONES**

FREM GANGSMÅDE

Saml dine materialer: Lim og en saks

Klip kræmmerhuset ud (A) og lav en fold langs den stiplede linje om bag på kræmmerhuset.

Kom lim på folden (B) form kræmmerhuset og fasthold kræmmerhusets form indtil limen er tør.

Klip hanken ud (C) og lim hver ende fast på indersiden af kræmmerhusets kant.

INSTRUCTIONS

Collect your materials: Scissors and glue.

Cut out cone (A) and fold along the dotted line that runs along the back of the cone.

Apply glue to the fold (B), shape the cone and hold it firmly in place until the glue has set.

Cut out the handle (C) and glue each end to the inside edge of the cone.
